THE MWFA ELECTS A NEW VICE PRESIDENT

Mike Doesn't Just Sell... He Gets Involved

On November 2017, Mike Henry was elected Vice President of the Mid-West Fastener Association. While serving on the educational committee for many years and a member of the Board of Directors, he provided insight from his 40 years of experience of working for manufacturers and selling to distributors. It's with this experience that he has provided guidance and continuity between all members of MWFA.

With the philosophy of "Giving Back" to the industry that he has been good to him, Mike will continue to teach educational classes and support the total values that MWFA stands for.
